

Aquatic Invasive Species Open House

WHEN:

Friday, October 29, 2021

3:00PM - 6:00PM, PDT

WHERE:

Tahoe Keys Pavilion

356 Ala Wai Boulevard, SLT, CA

Get The Facts:

Representatives from the Tahoe Regional Planning Agency, the League to Save Lake Tahoe, and the Tahoe Keys will be presenting and taking questions

- History of Aquatic Invasive Species (AIS) in Lake Tahoe, and the current status
- The basin-wide collaborative effort to address weeds in the Tahoe Keys
- Environmental analysis and permitting process, schedules, and public involvement
- Review of treatment alternatives and testing methodologies
- How residents can support current efforts to control AIS

*Visit anytime between times stated above!

**In consideration of all attendees, please wear a mask
